NOTABLE HIGHLIGHTS: (double plays, etc.)

The Giants and Reds squared off again for the second time on a beautiful Saturday at Testa Park. Both ball clubs are very talented and the game would not disappoint the fans. The winner would move into sole first place in the league. The Reds offense was very hot in the first inning and drew first blood scoring 4 runs. Oliver Parker started the game with a single up the middle and Xanden Preston and Liam Madden would each follow up with singles of their own. Miles B would clean the bases with a nice double. After the first inning, Kooper Sears settled right down and started his brilliant performance on the mound. This would be Kooper Sears first ever start in the Major's as a pitcher. Sears looked like a veteran out there keeping his fast ball under control not walking a single batter. He would finish 5.2 innings worth of work striking out 11 batters. The Giants offense would dig away at the Reds lead the first two innings by capitalizing on Cam Albright's triple and Dawson Coy's smart baserunning abilities. The Giants offense would come to life in the 4th inning with Ethan Torbit towering shot to right field giving the Giants energy. Emmy Wilson would continue her great batting skills by taking a 1-2 pitch opposite field resulting in a double. The bases would eventually load up for Jameson Craig. Craig work a full count situation and the hammered a fast ball to right field. Craig would get his second inside the park homerun of the year. The Reds offense would eventually stall out with great infield play by the Giants.
